# Introducing the Mackenzie Global Corporate Fixed Income Fund

On June 13, Mackenzie will launch the Mackenzie Global Corporate Fixed Income Fund.

This fund is designed to complement a core fixed income portfolio by diversifying investments beyond government bonds and allowing investors access to higher yields and exposure across different sectors and regions.

Details to assist in the fund's set-up can be found [here](#).

Additional information can be obtained from the FD file, available through Fundserv with an effective date of June 13.
